Re: PSC Docket No. 17-1094 (DPL's Program for Plug-In Vehicle Charging)

April 11, 2019

Dear Parties:

I enclose the final Hearing Examiner's Report ("the Report") and the proposed Commission Order. Hopefully, considering that a Settlement Agreement was agreed upon by the parties, the final version of the Report and the proposed Commission Order can also be agreed upon. If you agree with the Report and the proposed Commission Order, please notify the parties and myself by email so that this Docket can be timely set before the Commission.

If you do not agree with the Report and the proposed Commission Order, the Exception deadline is *May 1, 2019 at 5 p.m.*

Mark Lawrence
